Black Oak Foundry Price List

Product Name PN Price Finish Cost

Finishes							
Oil Rubbed Bronze	ORB	Dark brown with some gentle highlights where applicable, additional highlights can be requested to make a more bold/high contract effect.					
Almost Black	BLK	As black as we can make it, it will appear black to most people. Usually no highlights. Highlights can be requested to make a VERY bold/high contract effect.					
Antique Brass/Bronze	АВ	Parts are kept in base material, of Brass or Bronze and given and antique appearance. We do not brass plate, so please look at pictures to make sure you get the appearance you desire.					
Distressed Copper	DC	Part is completely copper plated, and given an aged appearance. Bare copper spouts are antiqued in house.					
Brushed Pewter	ВР	Part is Pewter plated and antiqued in straight lines to give a brushed appearance. Only items with straight lines can be Brushed Nickel. Modern Pewter is Britannia Alloy, is food and water safe, corrosion resistant, and used as a plating material for cooking utensils.					
Antique Pewter	АР	Part is Pewter plated and antiqued and given a general aged appearance only curvy things can be Antique Pewter. Modern Pewter is Britannia Alloy, is food and water safe, corrosion resistant, and used as a plating material for cooking utensils.					
Other Special Finish	Spec	This is a range of finishes from Verde, Living Verde, 'Old', and are cases where the customer is looking for a specific theme vs a color. We've done a few color changes for customers, the first thing we do is call and ask what they are trying to achieve, and from there we discuss and come to an option, it's unique to the customer so you may not want to offer it.					

If you have ANY questions about finished please contact us, we do this all the time, so we're pretty good helping you get the right look.
